

# Babysitting Course

## **What Every Young Adult Needs to be a Safe and Responsible Babysitter**

**Join Elaine Hodnett, American Heart Association certified instructor, in this class designed for Middle and High Schoolers. The Pediatric CPR for Babysitters Class will certify you in Pediatric CPR & First Aid, give tips on keeping yourself and the children you are caring for safe, and how to handle emergencies such as injuries, accidents and illnesses.**

**Monday, Jan 30, 4-7PM (Snow date is Feb 6) Reiche Community Room.**

**Pediatric CPR & First Aid Class - Sponsored by WENA in coordination with MaineHealth, this class is for teens from 13-18 who want to enhance their babysitting skills.**

**The cost of the 3 hour class is \$25 and enrollment is limited to 8. Snacks will be provided.**

**If you are interested in registering, please call 879-6024.**

**Some service opportunities that may be performed in lieu of the fee. Call for more information or check [www.wenaMaine.org](http://www.wenaMaine.org).**
